FITNESS FLOORING

The new GREEN sports floor

PuzzleTile stands up to the punishment of fitness and workout areas and protects your existing floors and equipment. It's ideal for use in weight rooms, exercise or cardio areas, and circuit or performance training.

Unlike traditional 4'x6' black mats, PuzzleTiles are easier to handle or relocate, virtually no odor, and more colorful.

PRODUCT ATTRIBUTES

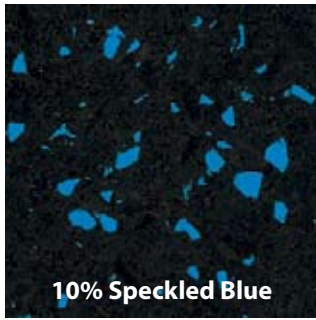

- 24" x 24" in size with 8mm thickness and interlocking tabs or slots for easy install.
- Dense rubber construction protects existing floors and equipment in commercial or residential applications.
- No adhesives required – "puzzle edges" simply lock together.
- Tight fitting puzzle edges hide seams and reduce dirt buildup.
- Saves installation cost when compared to a permanently "glued-down" rubber floor.
- Easy to cut or trim with just a standard utility knife.
- Excellent slip resistance in wet or dry conditions.
- Three standard colors – black, speckled grey, and speckled blue.
- Made in the USA from premium-grade recycled tire rubber and colored rubber granules.
